

## WELCOME CAMPERS SPRING 2008

Welcome back campers! Before we get into the swing of camping again, here are some Spring opening reminders:

- **OPENING DAY** - Tuesday, April 1, 2008 at 10am.
- **BATHROOMS** - The bathrooms will be closed until the water is turned on. However the bathhouse on 2nd street will be open.
- **BOATS** - Boats must be off your lot by Memorial Day Weekend. Fines may apply.
- **CAMPFIRES** - Do not burn pallets or garbage in your campfire pit. To contain and stop the spread of Emerald Ash Borer, use Jackson County wood only. Do not bring wood from home. See Front Gate for "Emerald Ash Borer-Firewood Fact Sheet" published by Michigan Departments of Agriculture and Natural Resources.
- **CAMPGROUND OFFICE** - Beginning April 1, the office hours are 10 am - 4 pm daily.
- **CONSTRUCTION** - There will be some on-going construction projects this year; therefore intermittent power outages are to be expected. Adults and children should stay away from these construction areas.
- **CURFEW** - The curfew is 10:00 PM or dark every night until Memorial Day Weekend.
- **DANGER** - All of our utilities are underground. Ask the office before you do any digging.
- **GARBAGE** - Garbage will be picked up at your lot site on Monday and Friday only.
- **GATE** - There will be 24 hour gate attendant beginning April 1 through October 31.
- **GATE FEE** - The fee is \$5.00 a day and is payable at the gate or at the campground office. If you camp on Friday, stay Saturday and go home on Sunday, the fee is \$15.00. Your honesty is appreciated.
- **GRASS** - Grass cannot be put in with the garbage. Grass only should be placed in the wagon by the "Y." Please do not put bags in the wagon.
- **MAIL** - If you will be getting your mail delivered to the campground, your lot and street must be included in the address. You must have a mailbox on your lot. Please make sure that your trailer is clearly marked with your lot number and street.
- **MESSAGES** - Messages will be delivered to campers from April 1 through October 31 as long as staffing is available. Please make sure your trailer is marked with lot and street number.
- **RULES & REGULATIONS** - Keep a copy of the GWA rules and regs in your trailer for everyone to follow. Please make sure your guests and visitors are also aware because as a seasonal camper, you are responsible for their actions.
- **SEWER PUMPS** - The sewer pumps will start after the water is turned on. Advance sign-up is required. See Front Gate for advance sign-up.
- **WATER** - The water will be turned on as soon as possible. Watch for announcement at the front gate.
