

Seasonal's Fall Camping Information 2018

If you plan to leave your trailer plugged into the power box starting September 4, 2018, you will need to pay in advance for the number of days you will be plugged in. If you decide to unplug, remove the cord completely from the power box. Please clean off your plug before putting it back in the pedestal.

The Seasonal's fall **daily entrance fee** is \$6 per day per **seasonal site**, if you are at the campground or plugged into the power box. For example, if you arrive on Friday and leave on Sunday, the charge will be \$18. The \$6 is a daily fee and is not based on 24 hours. **Diamond pass holders will not need to pay the fall daily fee or worry about unplugging until October 31.**

Everyone will need to continue to drop off their trash at the trash compactor, as all waste materials will not be picked up from your campsite. Any "**uncontained**" woodpiles are not allowed. They create homes for critters.

Weather permitting; **sewer pump-outs** will be done weekly until Thursday, October 25th. The water will remain on (*weather permitting*) until Sunday, October 28th. At 4pm. Please check the website, the marquee board or the office for water availability. If the weather turns to freezing, we may have to shut the water off before October 28th.

Weather permitting: **all restrooms** will remain open as long as water is available to the campsites. The restroom and laundry facility at 2nd street will be open until Wednesday, October 31st.

When you **winterize your trailer**, remember to unplug and pick up any cords, hoses or other loose articles to prevent their loss in storms or getting caught in the mowers during the spring reopening.

Up until Friday, **October 26th, mail will be delivered** to your site if you have a mailbox. If you don't have a mailbox, check at the gatehouse. Mail received at the campground after Saturday, October 27th will be returned to sender.

If you have a **registered boat with a 2018 boat sticker**, it may be stored on **your** lot at no additional cost. Boats cannot be stored on empty lots, vacant lots or on GWA parking lots or fields. Boats left anywhere else in the campground will be removed and the owner will be charged a **minimum \$100 removal fee**. On your lot boat storage is only for boats. Automobiles, speedboats and storage trailers are **not** permitted to be stored on your lot.

Boats. If you prefer NOT to store your boat on your campsite for the winter, see the office for field storage. The cost is \$50.00 for the winter. **There is no winter storage by the golf course.** If you are currently storing something in the golf course storage area, it must be removed before Friday, October 26th.

Email- Please provide the office with a current email address so we may email your 2019 seasonal contract.

The curfew, quiet time and visitor's fee policies will remain in effect until we close, October 31st. Quiet time is 11pm and golf cart curfew is midnight. All children, including teens, must be on their lot at dark or when the streetlights come on. However, you may use the lighted recreational courts until 11pm if accompanied by a **parent**.

The office will be open daily 8am - 8pm until Sunday, October 28th. The park and office will close at 4pm on Wednesday, October 31.

Starting Thursday, November 1.

- The Office **only** will be open Monday through Friday from 9am-5pm for business without trailer access.
- The **office and campground** will be open on Sunday, November, 11, and 18th from noon to 3pm. This is for your convenience so you can check on your camper. When there is snow, only main roads will be plowed.
- The campground will **not** be open on Thanksgiving weekend or on any Sunday in December. GWA will resume the Sunday noon to 3pm openings on Sunday, January 6th, 2019.

Check the GWA website for Campground information. Thank you for your cooperation.

We'll see you in the spring!
